

BUSINESS DAY

BUSINESS DAY

Transactions (deposits, checks loan payments, etc.) made at an office through the end of the business day will post the same day. For determining the availability of your deposits, every day is a business day except Saturday, Sunday, and federal holidays. If you make a transaction before the end of a business day, that will be considered the date of the transaction. However, if you make a transaction after the end of a business day or on a day that we are closed, that transaction will be made on the next business day.
